To Whom it May Concern:

Nolan Conley Photography will be providing free of charge family portraits for Houston area police officers on Sunday December 3rd 2017 at our studio in Spring, Texas. We have done this for several years and it's our way of saying Thank You for doing a difficult job.

We have an indoor and outdoor studio... so weather is not a problem.

The family will be provided a high resolution disc of the photos taken where they can print any quantity they choose.

Any help getting this message out would be appreciated. The families are asked to contact us so we can schedule them.

Thank you,

Nolan & Lucinda Conley
